

REMARKS

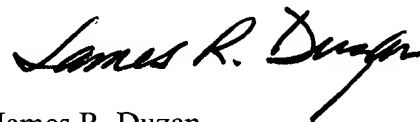

Claims 1 through 21 are currently pending in the application and subject to an Election of Species Restriction Requirement.

Applicant hereby elects, without traverse, to prosecute the species of invention as set forth in Species, I, having claims 1 through 13 readable thereon, with a further election of Species A of invention having claims 5 through 10 readable thereon, as well as generic claims 1 through 4 readable thereon, illustrated in drawing Figs.2, 3, 4A, and 4B.

Applicant considers claims 1 through 4 to be generic, and note that upon allowance of a generic claim, claims 11 through 13 depending therefrom in a non-elected species would also be allowable.

Applicant requests an action on the merits of claims 1 through 10.

Respectfully submitted,
